

PONY Tournament Sanctioning

PONY Baseball and Softball is utilizing a new registration platform for tournament sanctioning. Below you will find some guidance on this new process:

You will need to know your Zone and League information to get started.

You will need to provide the tournament's website address and Tournament Director contact information.

You will be required to enter the Division and Age Groups that will be accepted along with registration fees for the tournament.

In the "Additional Information" section you will be prompted to enter information about the tournament. Please complete this section to the best of your ability. This information will be displayed publicly along with your tournament.

You will have the ability to upload a tournament logo which will be displayed on the public site once your application has been approved.

If you wish to use the Affinity Sports tournament module to manage your event, please email: sportsmanagers@affinitydev.com to request a tournament setup.
